Eco Newsletter Autumn Term 2024

Dear Parents and Carers,

As we come to the end of a busy and exciting term, it is good to reflect on all of the children's amazing work.

Nursery

6.12.'24
Our Nursery children
have been busy collecting
litter with our new litter
pickers.

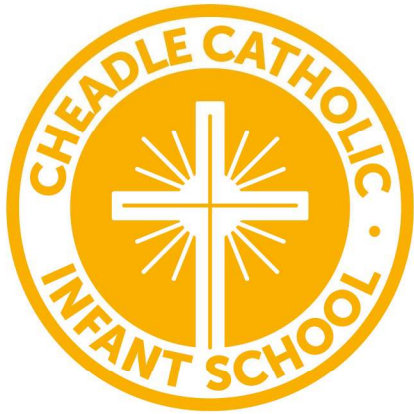

PIC•COLLAGE

<https://www.youtube.com/watch?v=4pbXLw6NDBM>

Our Nursery children have put our new litter pickers to good use and have been helping to keep the school grounds 'litter free'. They have been following our school Eco Code and learning about the importance of putting litter in the bin and caring for our planet.

Reception

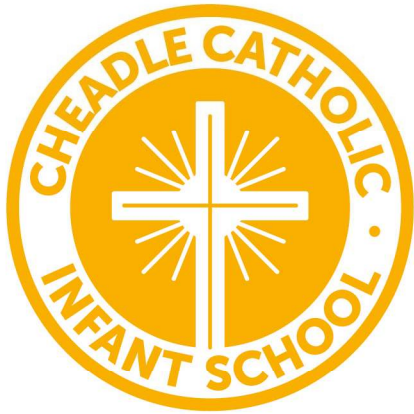

We have appointed our new Reception Eco Warriors and they have made a great start ensuring all of the children are following the school Eco Code and using one paper towel at the bathroom to protect our rainforests.

Reducing consumption of paper and wood products will result in less trees needing to be chopped down and helping wildlife to thrive in their rightful habitat. The children are well aware that without a suitable habitat, animals run the risk of becoming extinct.

Year One

Our year one Eco Warriors have been thinking of ways we can 'Cut our Carbon'. Again, developing our Eco Code, they have introduced weekly Energy Saving Monitors and these children ensure that lights are switched off when all of the classes are leaving the classroom for extra-curricular activities and breaks. Hopefully, our Energy Monitors will take their role just as seriously at home and you will see a significant drop in your energy bills too!

Year Two

As part of our Eco School's 'Waste' and 'Healthy Eating' topics, our Year Two Eco Warriors have been monitoring the single use plastic wrappers from lunch boxes. Next term they will be making posters suggesting healthy snacks be sent into school in re-usable tubs

Live Simply Award

As part of the 'Live Simply Award', Mrs. Glynn and the school council organised a Fairtrade stall at the Christmas Fair. All the producers of the Fairtrade products are guaranteed a fair price for their products and Fairtrade has helped to lift millions of people around the world out of poverty. There are over 2,000 products certified with the Fairtrade mark in the U.K.

Wishing you all a wonderful Christmas and thank you for all that you do to help our planet,

Mrs. B. Burke and the Eco Warriors
