

Love • Respect • Shine

At Cheadle Catholic Infant School we **love** and **respect** each other.
We **love** to learn and let our inner light **shine** brightly in all that we do.

Our School Prayer

Dear God,

Bless our school.

*Help us to make it a place of
love, joy, kindness and friendship
where everyone can live happily
together.*

Amen

CREATE
YOUR OWN!

Time to Shine!

Here at Cheadle Catholic Infant School, our pupils enjoy a rich, creative curriculum with the aim of instilling a lifelong love of learning and the belief that nothing is impossible. We also believe that education is more than what's learnt in a classroom and our experiences outside it are just as valuable.

That's why we've launched our Time to Shine initiative.

From reading amazing stories and ordinance survey maps to pond-dipping and sea swimming, we want every child at Cheadle Catholic Infant School to enrich their learning opportunities beyond the school gates.

*If you are happy to tweet photos of your children we would love to see them

HOME PLANET

HOME PLANET

Earth is our home. It's the only planet in our solar system with the air, water, and land resources that we need to live.

Human activities are changing Earth's environment. We are using up resources and creating pollution. We need to take action to protect our planet.

Visiting Beaumaris castle in Anglesey.
Collecting shells at the beach.
