

WIN A TICKET TO THE STOCKPORT CHILDREN'S BOOK AWARDS 2025

READING RIVERS CHALLENGE

The challenge: To create a reading river that shows what you have enjoyed reading at home and in school during Year 2. The design can be as simple or as elaborate as you like but should tell us something about you as a reader and feature a maximum of ten books.

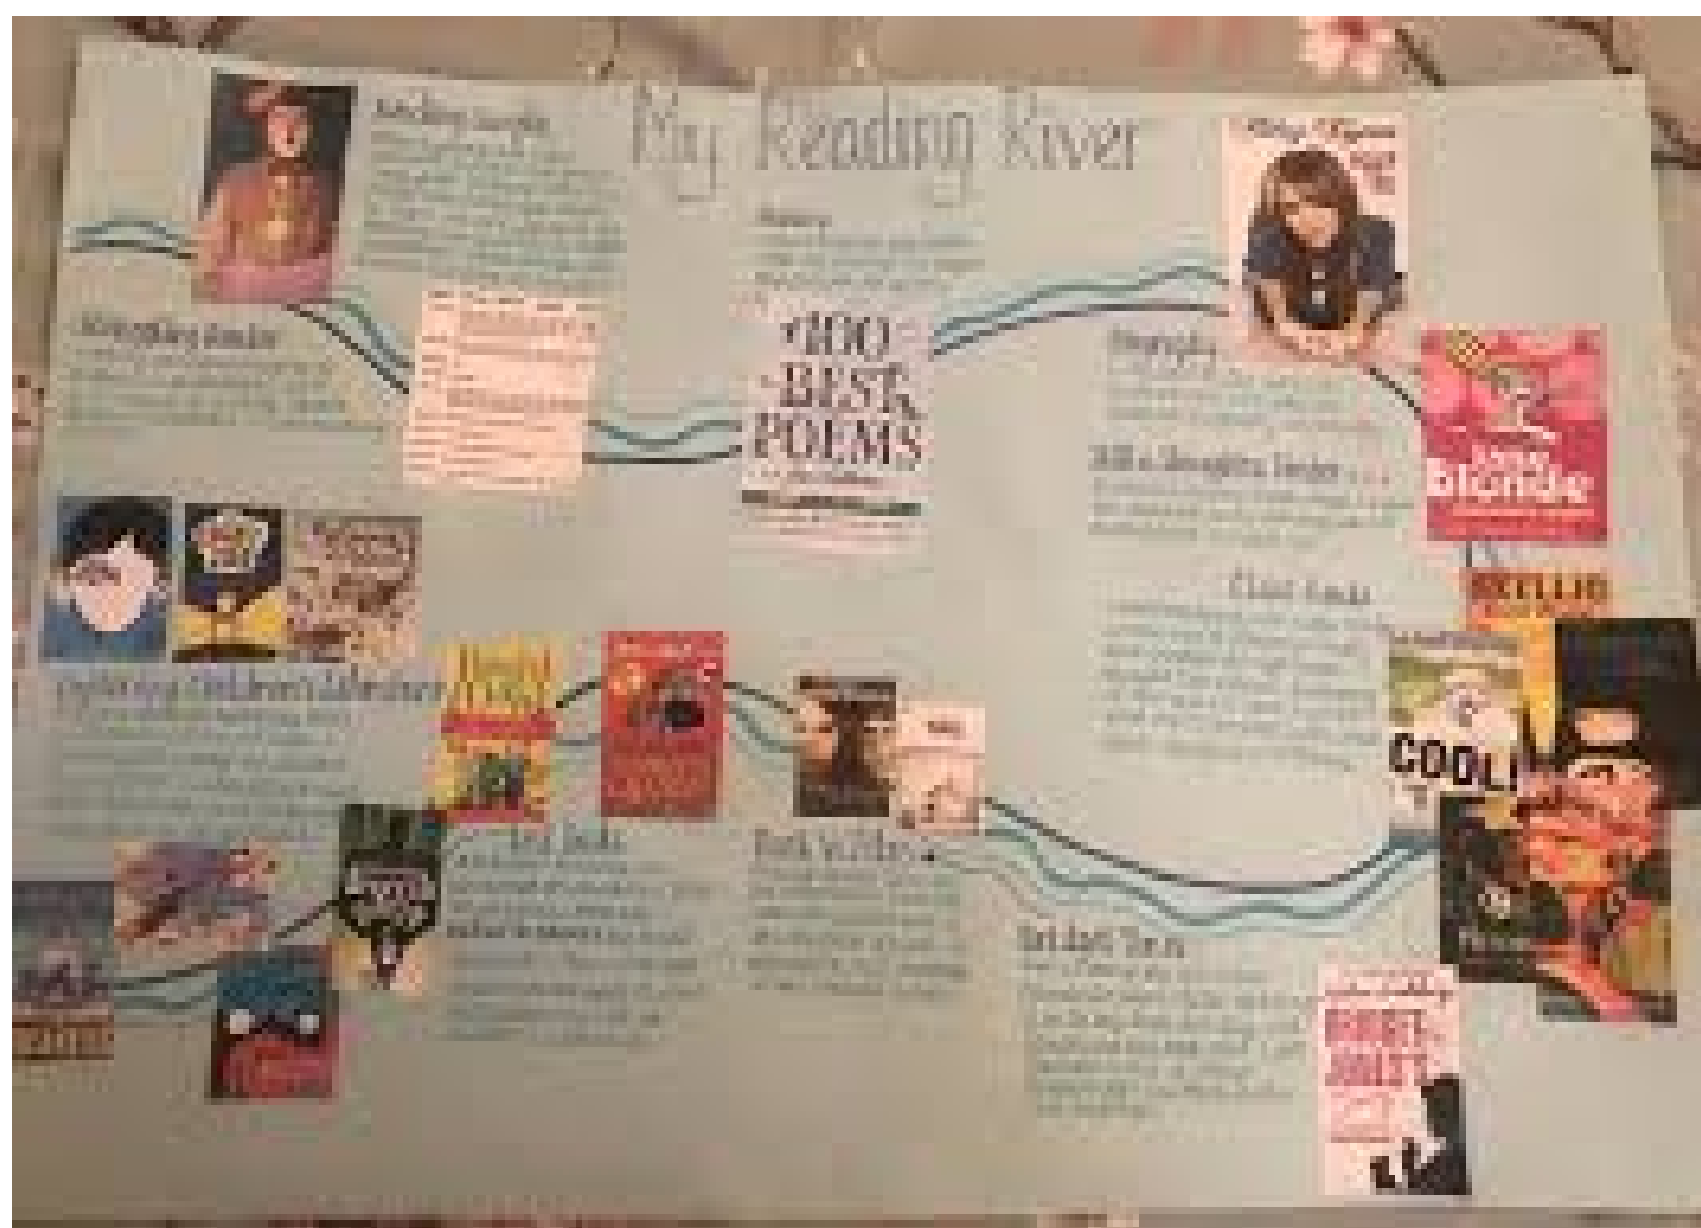

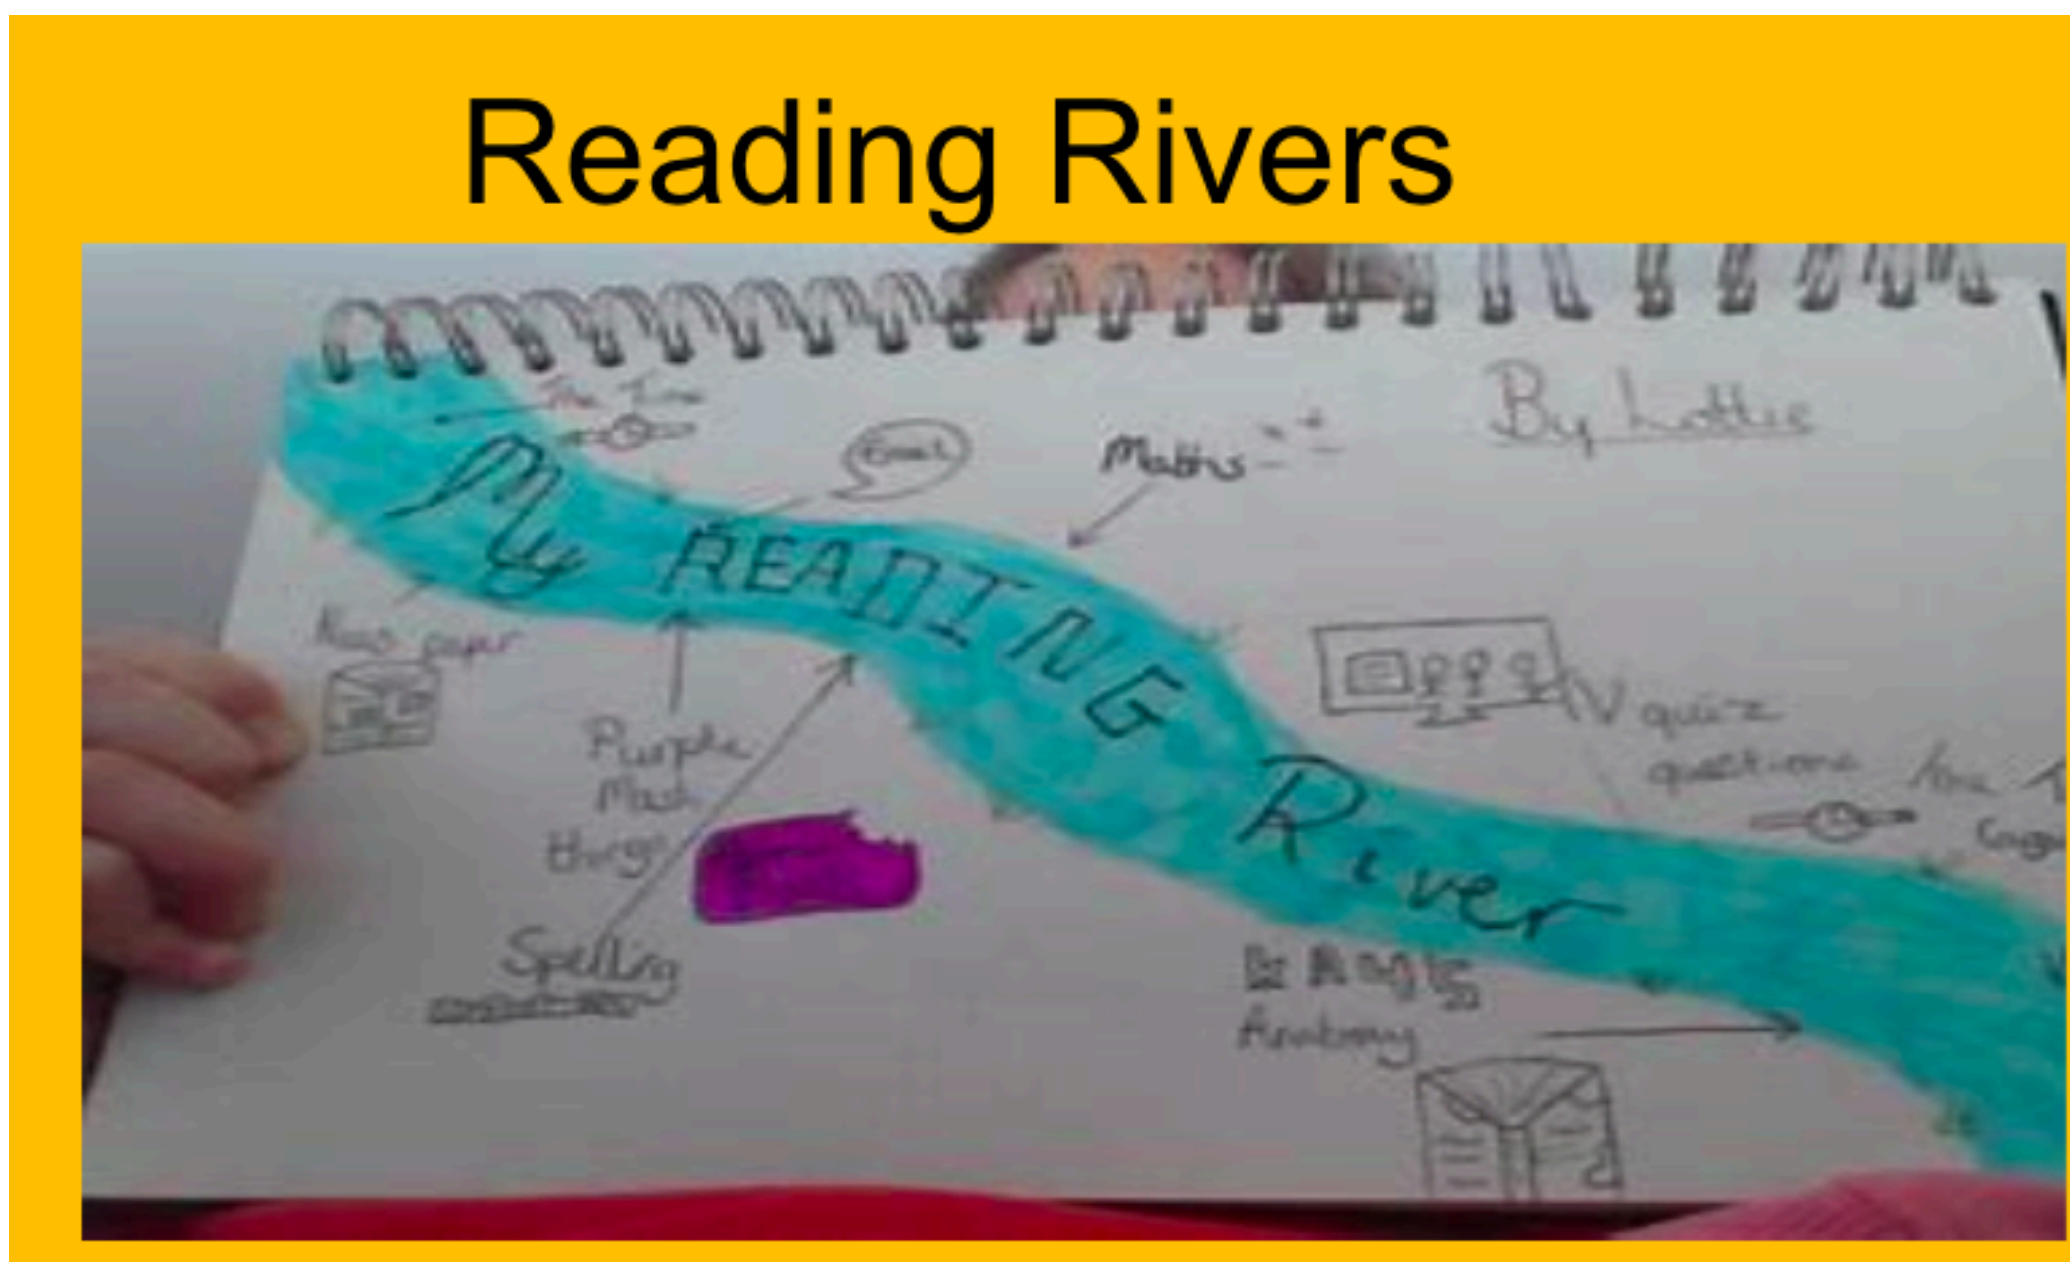

The prize: eight lucky winners will win a ticket for the Stockport Children's Book Awards on 1st July . This takes place at Stockport Town Hall in the evening and winners will need to be dropped off and picked up from the venue.

There are many different ways to create a reading river. Here are some examples to give you some inspiration.

You could include books we have read at school, magazines, comics, graphic novels, library books, books you have at home and audiobooks.

We can't wait to find out what your Year 2 reading highlights have been and getting to know even more about you as a reader. Reading Rivers must be handed in by Monday 23rd June to be entered into the competition.
