

### Love • Respect • Shine

At Cheadle Catholic Infant School we **love** and **respect** each other.  
We **love** to learn and let our inner light **shine** brightly in all that we do.

Dear Parents/ Carers,

#### Gospel assembly this week:

This week, in assembly, we reflected on the Gospel reading where Jesus chooses his first disciples. In this passage, the disciples leave everything behind to follow Jesus, choosing to spend their time with Him and share His message with others. We thought about how Jesus calls each of us to follow Him and considered how we can live out this calling in our own lives. We explored ways we can share His message of love, hope, and good news with everyone we meet.

Thank you Mrs Lees for leading our assembly on Monday.

#### E Safety

On Tuesday we celebrated Safer Internet day. This year's theme is '**Too good to be true**'. We have been thinking about how we can protect ourselves against online scams and fake information.

EYFS have listened to a range of stories about keeping ourselves safe online. We have discussed what we like to do online and what we can do if we see anything that makes us feel worried or upset. We have drawn pictures of the adults we can talk to if we need help online.

Year 1 have made safety posters to teach others about how they can stay safe online.

Year 2 have been learning about how to spot online scams and how we can make sure we don't fall for them. They have also thought about which personal information is safe to share online and the information we should never share.

If you would like any information about keeping your child safe online please visit the online safety section of our website for helpful guidance and tips. <https://www.cheadle-inf.stockport.sch.uk/parents/e-saf>

Safe  
Keep all of your personal information safe.

Accept

Reliable  
Not everyone is reliable. They may not be who they seem to be.

Tell  
Tell a responsible adult if you feel worried or uncomfortable.

**Class 1BW & Class 2L Parent PE Session:**

Thank you Class 1BW & Class 2L parents/carers for joining us for their PE session with Mr. Helsby this week. It was fantastic to see both adults and children being active together in such a fun and engaging way. Your participation made the session enjoyable for everyone, and it was wonderful to see the positive energy and teamwork throughout.

## Break the Rules Day:

Today, our children had a wonderful time breaking the rules in the name of fundraising for the PSA! From vibrant blue hair to eating some deliciously unhealthy snacks and fabulous non-uniform looks, they certainly made the day memorable.

We might need a lie down after all the excitement, but it was all worth it for such a fantastic cause! A huge thank you to everyone who participated and supported the event, we have raised an amazing **£541.10!!!**

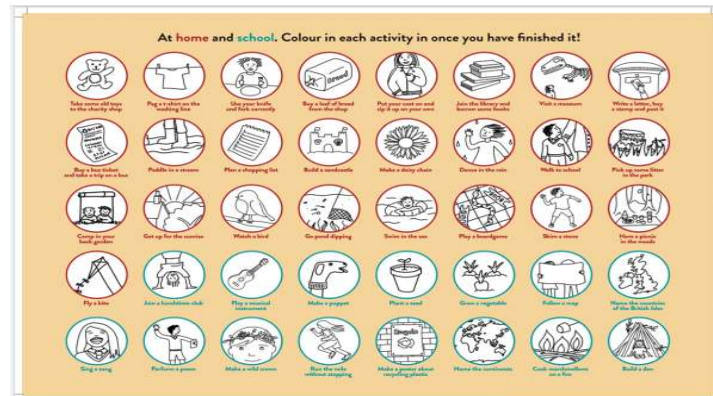

## Mini Police:

On Monday, our Mini Police Officers had an exciting start to their training. They had the chance to try on parts of the police uniform, test the siren in the police car, and learn about the important work the police do in our community. They also learnt some more about the role of police dogs.

A big thank you to our GMP officers who came out to work with our Mini Police and made this experience so memorable!

## Time to Shine

This half term we are asking children to try to complete some more activities from their 'Time to Shine' activity booklet. The booklet contains lots of exciting activities designed to support and extend our children's learning in a range of ways. The booklets are intended to be used throughout your child's time in both schools and some of the activities overlap so that families can enjoy the same activity together.

Our 'Time to Shine' activities include; reading stories, following maps, pond dipping, sea swimming!

# Road Safety News

### Parking and the School Run

Vehicle congestion around Schools causes issues that can easily be avoided. The safety and wellbeing of everyone is something we can all help with on the school journey.

Consider walking, cycling or scooting and try this at least once or twice a week instead of using the car. It's recognised that children who actively travel arrive at School more energised and ready to start the School day.

If you need to use your car please consider the following-

- Park away from School and walk the rest of the journey, Park and Stride.
- Turn your engine off when parked, avoid idling. This will help reduce pollution.
- Reduce speed and be alert when driving near School.
- Park considerately and legally. Inappropriate parking can put children at risk.
- Avoid parking on markings such as School Keep Clear zig-zags, blocking driveways and pavements, over dropped kerbs, parking near junctions and stopping in the middle of the road to let your child out. These are all seen happening around Schools and cause safety issues.
- Leave plenty of time for your journey. This will reduce stress and avoid the temptation to park as close to School as possible.
