

Love • Respect • Shine

At Cheadle Catholic Infant School we **love** and **respect** each other.
We **love** to learn and let our inner light **shine** brightly in all that we do.

Dear Parents/ Carers,

In this week's Gospel we hear that Jesus wasn't accepted in his home town. Rather than believe or trust in him, the people doubted and despised Him. We talked about the expectations of people and listened to the story of 'The Lion and the Mouse.' This story teaches us the importance of opening our minds and hearts and showing love to everyone we meet.

Thankyou Mrs Lees for leading our Assembly on Monday.

Thumbs Up Tuesday:

It was lovely to see so many of you in school on Tuesday morning for our final Thumbs Up of the year. We hope that you enjoyed sharing your children's work.

Euros Week in School:

Nursery:

In Nursery we have been learning all about our class country; Denmark this week. We have learnt facts about our country, designed

our own footballs, counted in Danish, made flags as well as lots of outdoor ball games

Reception:

In Reception we have been making flags, learning facts about our class countries, measuring and making our own headbands. We have taken part in our own penalty shoot outs and learnt to dribble and shoot a football with Ross.

Year 1:

In Year 1 we have enjoyed researching our country for the Euros; Spain, Scotland and the Ukraine. We made flags, learnt dances discussed traditional food and learnt some new Spanish and Ukrainian words. We particularly enjoyed our Euro sports morning with Ross. Who knew so many of us were amazing penalty takers!!

Year 2:

Each Year 2 class found out some facts about their country, including food, land marks and climate. We practised many ball skills outside and designed our own 'Euro 24' board game. It was lots of fun!

We are absolutely delighted with our awards and so proud of our children and staff.

Our pupils have access to a wide range of physical education opportunities, from team sports to individual events, and we are delighted this commitment was recognised at the Stockport Schools Sports Awards

A huge thankyou to all of the staff for their commitment to high quality PE and physical development at CCIS. We are strong believers that outdoor physical activity leads to better mental health, better core strength (which means that children can sit and concentrate) and better self-esteem.

Year 2 Sport's Morning:

Thankyou for being so patient Year 2 parents! We got there in the end.

Children you were amazing! Thankyou for your determination, respect and great resilience.

Well done to Class 2N who were our overall winners.

A huge thankyou to all of the Year 2 staff and Mr Helsby for making today possible.

Water Safety:

The Greater Manchester Fire and Rescue Service (GMFRS) have provided us with information regarding their current water safety campaign. Please see their website for full details [here](#).

Their water safety campaign warns young people about the dangers of open water, and provides advice on what to do if you get into trouble in the water (float to live), as well as what you should do if you see someone else in difficulty in the water (call, tell, throw – call 999 and ask for fire if inland or the coastguard if by the sea, tell the struggling person to try to float on their back and throw them something that floats).

Please click the link below to read their water safety leaflet.

We will be discussing water safety with all children in school over the next two weeks.

Parking:

Thankyou to PCSO Chadderton and PCSO Belal who joined Mrs Fender and myself on Wednesday to discuss how we can promote safe parking outside of school. We are planning a whole school community project to be launched in the Autumn Term. More details follow.
