

Year 1 - Week Beginning 14.10.2024

RE

This week we will have a RE super learning day where the children will be involved in workshops and watch a performance.

We will think about whose responsibilities it is to look after God's world.

We will share different ways we can be responsible for the care of our world.

English

We will practise our alphabet - focusing on correct formation.

We will use our third traditional tale to once again look at the setting and descriptions of settings.

Daily phonics and group reading.

Spelling - day play stay boy toy enjoy

they be he

Maths

This week we will continue using the signs < > = for use with numbers to 10.
We will use a numberline to find our 1 more and 1 less than a number and complete missing numbers.

Number formation and numbers as words.

Science

This week we will discuss the four seasons and what can happen during the seasons.
We will focus on Autumn and discuss the weather we might experience and what happens to the trees during this season.

Geography

This week we will recap on all the work we have done this half term on human and physical features in our local area.

We will remember our walk to the shops and what we saw. The children will then make their own human and physical features using construction play and junk modelling.

PE/Music

Our PE days are on **Wednesday** and **Thursday**.
The children are allowed to wear their PE kits in school on these days.

On Thursday we have gymnastics - your child must wear shorts on this day as they will be using apparatus.

Music is every Wednesday.

This week during our RE super learning day the children will use a variety of materials to make their own fish.

PSHE

We will continue our work on Mary Seacole. This week we will celebrate all her achievements and discuss why they might have been difficult for her to achieve.
