My child has SEND, and the school gives them the support they need to succeed.'	15%	85%	0
I would recommend this school to another parent.	100%	0	0

### **Positive comments:**

My son struggles with his emotions, yet his teacher has taken time to work through coping methods with him and is almost like a different child now. Thank you so much Miss Ward After we lost a family member Mrs Glynn and all the wonderful staff were so support to my child. I love how Mrs Glynn knows every child in the school by name. The staff are wonderful and know all the children so well.

I am very happy with the progress my son has made with his phonics, reading and writing. It is all down to the the hard work and dedication that the teachers put in. They really are fantastic Freddie has attended Cheadle Catholic since Nursery and is now in R3. As a teacher and member of SLT myself I am very impressed with all aspects of his school life. Nothing is too much trouble and he absolutely adores the staff. I feel that they know his strengths and areas to improve very well and encourage him throughout the school day. Thank you so much!

The Teaching assistants are amazing and the kids thrive with them. The teachers work hard with our kids and I always know the principal puts her heart and soul into her school and children

Teachers are wonderful, atmosphere is loving and caring and the overall ambience is calm. The children love and support each other and this provides them with a great environment where they can learn happily.

My daughter is thriving in reception. She loves her teacher and all the adults that work with her. Some highlights for her are forest school and PE with Ross. We think it's great that she can borrow books from the library and she's always excited about which one she's brought each week. This year has been such a positive start to school life. Thanks everyone for all you do!

The support and care is brilliant, creating a loving and safe environment  
The staff work hard to ensure the children make excellent progress. The school is well led and is working hard to move forwards all the time. Eg The forest school opportunities have really enhanced the curriculum and my child loves it! My child thoroughly enjoys coming to school. Friendly, happy atmosphere in school. Children seem to love being there!

My daughter enjoys her time at this school and is happy to come every day  
The school provides a lovely nurturing environment for my child.  
I would and have strongly recommended this school for any child and parent as a parent to six children my only wish is that I would ov chosen this school for all my children excellent school lovely staff always polite xxx

Teachers are professional, understanding and approachable. Because of this, children are happy. Some classroom assistants don't appear to have the patience and understanding that the teachers have, which leaves them feeling less happy.

I attended the school as a child and it's so lovely to see my child now enjoying school and thriving

Such a welcoming school

We couldn't wish for a better school for our children. They are both so happy and the level of commitment and genuine care from their teachers is outstanding.

Cheadle Catholic Infant School is an amazing school! I would absolutely recommend to anyone, we are so happy that our children have been lucky enough to be part of this wonderful school family.

My children have been new to this school this year the teachers and headteachers have been fantastic in settling them in and supporting them throughout! I'm very proud to be a part of this school.

I am so proud that Ethan attends Cheadle Catholic. Every day he arrives to school delighted to be there and the teachers have really created an enthusiasm and love for learning in him. When he comes home he tells us about all the wonderful things he has experienced through the day from phonics and maths to forest school and geography walks in the local area. The curriculum is varied and ambitious and gives him an opportunity to thrive and gain cultural capital. He has made some wonderful friends, made excellent progress and developed a love of learning and we are so proud of him and very grateful for the excellent teaching that he has received since reception to yr 1. At the most recent parents evening it was very clear that his teachers (Mrs Brennan and Mrs Williamson) knew him well and could identify strengths and ways he can continue to improve and we thank them for how hard they are working to achieve all this.

My daughter seems happy at school and enjoys her time there.

A lovely school with committed and friendly staff

It's a lovely community to be apart of.

My daughter is very happy at Cheadle catholic and she thoroughly enjoys school. Her class is lovely and she has made lots of progress. Her teachers are proud of her. Happy with the school trip this week.

Amazing Head Teacher, and a wonderful reception teacher Mrs Pullar .

My child is very happy and loves to learn, he really likes his teachers and has something new to tell us each day when we pick him up.

The teachers and staff are so caring

### **Changes/ Comments**

more fun pta events like school disco etc

Nothing

Yes pre school wrap around care. This is non existent for siblings and let's the infant school numbers down and makes parents life's harder to enrol there children. It doesn't make sense that there is no wrap around care for nursery esp after the budget announcement from government. Please can you review this I know myself and alot of other parents have said the same and it's a shame as it's an amazing school.

No - keep Mrs Glynn forever x

I don't see kids being given stretching targets to achieve unless you are a pushy parent.

More flexibility with booking/ changing wrap around care

Better selection of dinners, for those fussy eating children, juniors offer toasties etc. To collaborate with juniors for fundraising such as break the rules day so all my children are happy and not arguing in the morning because the schools do things different to one another.

Charges for clubs are expensive. It is unfair for those who can't afford them. I feel they are being challenged enough with reading.

The school bus, school needs to be more involved in the running of the service.

Possibly some different after school clubs not just sport.

No

It would be great to see more photos of what the children are doing online or social media or see saw. Often it's the same classes posted and never others. The nativity for Y1 and Y2 is also REALLY missed. Such a shame to miss out on these in their early years. (I know they do it in nursery and reception)

a monthly chat/ targets to help my childs development

I would like to see the school push the children more.

Parents evening needs to extend the appointment times to at least 10 minutes. As per the above answers I am not always clear on what I am meant to be doing at home. Seesaw could be used more to assist. I would like more photos on twitter of my daughters class. Thumbs up Wednesday is good but could the day change from time to time. Wednesday is the worst day for us and this next couple of months we have thumbs up Wednesday, assembly is on a Wednesday and her sports day is on a Wednesday. Magic booking still has issues but it is slightly better. Other parents are still driving dangerously near Kew drive entrance, they should not mount pavements. Also there has been a lot of dog poo on the walk up to school (not the schools issue but thought I'd mention it). Thanks

To block Kew Drive at school drop and pick up time

When our child needs support, tell us sooner rather than wait for parents evening as sometimes this delays in helping him.

Coordinating events with the Juniors (own clothes on the same day etc). Less involvement in asking parents to come in, as lovely as coming in is parents feel guilty about not being there and between the two schools it seems too much at the moment when parents are trying to get time off work.
