

RE/RSE/PSHE

- We will learn about Palm Sunday. Children will take part in a range of activities to learn about Palm Sunday.
- We will act out the story of Palm Sunday.
- Celebration of the word.

Literacy

- In phonics we will learn the special friends oo (short sound). We will use our Fred fingers to help us spell words and write simple captions.
- We will go on a hunt for pictures around the classroom and write the words to match each picture.
- We will write simple 'I can see' sentences.
- Our text this week will be 'Aliens love Underpants.' We will read the story and learn new vocabulary.
- We will design our own alien and write captions to describe it.
- Handwriting
- What's in the Jar? We will look at pictures inside a phonics jar and write what we can see.

Mathematics

- We will use 2D shapes to make rocket pictures.
- We will explore patterns through underpants. We will use mathematical language to describe patterns on underpants, we will sort patterns by pattern/size.

Understanding the World

- This week is World Book Week. We will be taking parts in lots of activities and sharing our love of all things books!
- We will design front covers, make bookmarks, build cosy reading dens outside, create craft activities based on our class author.

Physical

- Construction
- Smile for a Mile
- Dough/pen disco
- PE with Ross
- Fine motor activities - wash and peg the pants on the line.

Expressive Arts and Design

- Making playdough aliens
- Designing our own patterned pants
- Loose part pants
