

RE/RSE/PSHE

- Assembly with Mrs Glynn
- We will think about how Lent is a time that we can care for others. We will draw pictures of the people we will show care for during Lent.
- Celebration of the word- Love one another, As I have loved you.

Literacy

- This week our text will be 'Whatever Next!'
- We will learn new sounds, read and write simple words and sentences in our phonics groups.
- We will act out the story of Whatever Next! in small groups, using props from the story.
- We will write a list of things baby bear would take to the Moon.
- Letter formation activities

Mathematics

- We will use Numicon and the part part whole model to explore ways of making 7.
- We will use 2 different colour multilink cubes to explore how many different ways we can make models of 7.
- In pairs we will make towers of 7. We will take it in turns to break the tower into 2 parts and show 1 part to our friend. Can our partners guess what the other part is?
- Maths of the day- We will work in 2 teams to collect space junk. We will race against each other to see which team can collect the most space junk for their planet before the timer runs out.
- Making 2d and 3d rockets

Understanding the World

- This week we will introduce the children to our new topic 'Out of this world'. We will discuss what we already know about Space and what we would like to learn.
- We will learn facts about the Moon.
- We will watch video clips of the first Moon landing.

Physical

- Construction
- Smile for a Mile
- Playdough- fine motor skills
- PE with Ross
- Gymnastics with Mrs Hall

Expressive Arts and Design

- Music
- Moon-salt painting
- Making our own rockets
