

## Year 2 - Week Beginning 28.4.2025

RE

We will introduce our new topic 'Ends of the Earth'. We will learn about what happened when Jesus appeared to the Apostles.

Maths

We will complete our work about multiplication and division and practise problem solving and reasoning with multiplication and division.

English

This week we will begin 'Once upon a Dragon's fire' by Beatrice Blue. We will create sentences using adjectives and write our own 'Wanted' poster about the dragon.

PE

In Dance, we will continue our Great Fire of London dances matching different sequences of movements to the music. In Games, we will begin athletics.

Shared Reading

This half term we will be looking at the features of traditional stories and the language they use starting with 'The Three Little Wolves and the Big Bad Pig'.

Geography

We introduce our enquiry question 'Where in the world is Japan and would it be an exciting place to visit?'. We will use our enquiry triangle of 'I see, I think and I wonder...' to explore some of the different geographical features.

Art/DT

We are going to create our own 'pumpkin polka dot' art based on the work of Yayoi Kusama.

PHSE/RSE

This week we will discuss how medicines can be harmful. We will find out what other harmful substances there might be around our homes and how we can keep safe around them. We will design our own posters to keep others safe.

## Science

This week we will introduce the concept of food chains and compare the diets of carnivores, omnivores and herbivores.

## Computing

We will start our new topic 'Making Music'. We will use 2sequence to create a tune exploring how to speed up and slow down sounds.
