

## Year 2 - Week Beginning 17.6.2024

RE

This week we will discuss faith and trust and how the Apostles had to learn to trust the Holy Spirit. We will listen to the story of the man who could not walk and link this with how Peter and John were able to trust in God.

Maths

This week we will be practising measuring in cm and metres. We will be ordering lengths and heights and solving problems that involve measuring.

English

We will be writing a recount about our school trip.

Shared Reading

The children will be choosing 2 books that they know well and describing the similarities and differences between them.

Science Week

This week is science week. We will think about ourselves as scientists and the jobs we may want to do in the future. We will also introduce the concept of food chains and compare the diets of carnivores, omnivores and herbivores.

Geography

We introduce our enquiry question 'Where in the world is Japan and would it be an exciting place to visit?'. We will use our enquiry triangle of 'I see, I think and I wonder...' to explore some of the different geographical features.

PE

WE will be practising our athletic skills of running, jumping and throwing and getting ready for Sports Day.

## Art

We are going to create our own 'pumpkin polka dot' art based on the work of Yayoi Kusama.

## PHSE/RSE

This week we will be listening to the story 'Only one you'. We will think about what makes us unique and why we are all special.
