

Year 2 - Week Beginning 3.3.2025

RE

Our week will begin with a retreat day where we will continue as Pilgrims of Hope on our journey through the Jubilee Year.

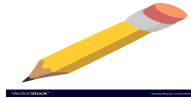

We will think about the Sacrament of Reconciliation and what it means to be truly sorry. We will talk about our conscience and how we use it to know the difference between right and wrong.

Maths

This week we will write calculations using the multiplication symbol. We will be making equal groups and introducing arrays.

English

As it is World Book Day this week, we will be writing about ourselves as readers, reading lots of books by our class authors and writing our own books.

Science

We will investigate different materials by stretching, bending, twisting and squashing.

World Book Day/Week!

We will celebrate World Book day all week with exciting activities like a book café, learning more about our class author, mystery reader and masked reader.

History

Following on from our History workshop we will be investigating causes and consequences of the Great Fire.

PSHE/RSE

We will watch the video 'Pantasaurus' and reinforce the message 'pants are private' using the NSPCC resources.

PE

We will develop basic skills required with team ball games. For example, recognise space, changing direction & speed to avoid collisions, sending & receiving a ball.

In dance we will begin to think about movements to represent the story of the Great Fire of London.
