

RE/RSE/PSHE

- Assembly with Mrs Glynn
- We will think about the gifts the 3 Wise Men gave to baby Jesus. We will discuss what gifts we can give to Jesus today. We will think about how showing love and kindness to others is our gift to Jesus.
- RSE– Head, Shoulders, Knees and Toes– We will be learning about how wonderful our God-given bodies are. We will join Freddie Teddy and Mollie Cat on their morning walk to explore the movements our bodies can make.

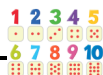

Literacy

- Our text this week is ‘Supertato, Evil Pea rules’.
- Phonics– We will be learning new sounds, green words and red words in our phonics groups.
- Reading with our teachers.
- We will draw pictures of Supertato and use our ‘Fred Fingers’ to help us write simple sentences about what Supertato can do.
- Evil pea has hidden our ‘green’ words around the classroom. Can we find them, read them and write them?

Mathematics

- This week we will be exploring weighing, we will use the balance scales to see if we can find items around the classroom that are heavier than Supertato.
- We will use cubes to make a staircase to 6. We will look at the pattern of adding 1 more each time.
- We will choose a number card (0-10) and make the matching amount of Evil Peas using play dough.
- Maths of the Day: We will draw a numberline 0-10 in the playground. Roll a dice and stand on the matching numeral on the number line. We will then make 1 jump to find the number that is 1 more than the number we rolled.

Understanding the World

- We will think about Winter. We will observe and talk about the changes in the weather. What do we need to wear in Winter?
- We will have teddies and a range of different clothing. Can we dress the teddies for the Winter weather?

Physical

- PE with Ross (Wednesday)
- Den building
- Construction
- Smile for a Mile
- Forest school
- Outdoor play/challenges

Expressive Arts and Design

- Painting superheroes
- Making our own Supertato
- Music with Mrs Marshall
